July 2024

Dear Friend:

We are fortunate to be on the board of a tax exempt 501(c)3 charitable foundation, All Schools Special Needs Foundation, whose mission is to help special needs children in the school district of Ridgefield Park, New Jersey. With the support of many, we are doing well, but we're hoping you can help us do even better for our kids. Our Annual Golf outing will be held on August 26, 2024.

We started fundraising 12 years ago to help our local school system to assist children within our schools with autism, to help subsidize their underfunded classrooms and gain valuable technology tools.

Today, we have expanded far beyond autistic children to include all children with special needs in any of the Ridgefield Park Schools. Since starting, we have raised more than \$400,000, thanks to the generosity of friends like you.

Through that generosity we have added the items below to classrooms of these students:

- 10 Smart Boards along with laptops and installation
- 70 iPads with cases and iTunes money to purchase apps
- A playground for special education children equipped with Sensory equipment and annual maintenance
- A flower and vegetable garden
- Two \$1000 Scholarship to graduating senior each year.
- Class trips to Turtle Back Zoo, Pumpkin Picking for all special education classes for years along with Monthly class trips to 1 Gym 4 All for the young special education students. This facility is equipped with jumping equipment that allows kids to exercise while playing.
- 3 Laptops with projectors
- 10 Chrome books
- 6 Dvd players and Yoga DVDs
- Air Conditioners
- Over \$25,000 in classroom manipulatives from teacher's wish lists to help with classroom learning
- Changing tables, diaper pails, carpets for our Pre-k classrooms
- 2 Easels for BSI classrooms
- Gift cards for online sites for classroom learning
- Supported the online teachers and aides during the pandemic with Amazon gift cards
- Supported families throughout the 2020-2021 pandemic
- Monthly support of Scarlets Studio, The Next Chapter
- Purchased 20 Walkie Talkies for buses to communicate to the schools
- 2024 Wish list purchases were over \$16,000 and include so many new items for the classrooms
- Sensory Hallway for Lincoln School
- AND THE LIST GOES ON.....

This is just the highlight reel -- there really is so much more. We have a clear vision of what we plan to establish in the future:

A home for these children as they become adults and a working place for them to report to daily when they age out of the public-school program at age of 21 and all benefits end and they can no longer be in school in the great programs they are in.

This is no small mission. That's why we are amping up our fundraising efforts. **We hope you can consider donating.** A monetary donation will help the most, but we can also accept a prize, a gift basket or a gift card to raffle at one of our fundraising events.

Please visit our website <http://www.allschoolsspecialneeds.org> for pictures of the children using the equipment we have purchased along with some other content about us. Also please like our Facebook page: <https://www.facebook.com/allschoolsspecialneeds>.

Upon request our 501(c)3 identification and paperwork will be furnished. Thank you so much for your consideration to be a part of our charitable organization.

All Schools Special Needs Board Members:
